**THE ALL SINDH YOUTH – CHESS COMPETITION 2026
SEASON 01**

Building on the resounding success of the Spelling Bee and Scrabble Championship, the Directorate of Inspections and Registrations of Private Institutions, Sindh (DIRPS), in collaboration with Ziauddin College – Intermediate and A-Levels (ZCIA), under the visionary guidance of the Honorable Minister for Education, **Syed Sardar Ali Shah**, and the Secretary, School Education & Literacy Department, **Zahid Ali Abbasi**, proudly announces the launch of **CHESS – the All-Sindh Youth Chess Championship**.

After two phenomenal academic initiatives that ignited intellectual curiosity and competitive spirit across Sindh, this new endeavor marks yet another milestone in fostering strategic thinking, discipline, and cognitive excellence among the youth.

What began as a bold vision to elevate academic engagement across the province has now evolved into a dynamic platform celebrating diverse intelligences. With the introduction of CHESS, we extend this journey beyond words and language into the realm of logic, foresight, and strategy skills essential for future-ready learners.

The All-Sindh Youth Chess Championship aims to bring together students from Grade 6 to Grade 10, providing them with an opportunity to showcase their analytical abilities, patience, and decision-making acumen. From the vibrant metropolis of Karachi to the cultural landscapes of Larkana and Mirpurkhas, this championship aspires to unify young minds across regions through the universal language of chess.

Under the continued leadership and patronage of the Honorable Minister, the championship will span all six regions of Sindh, Karachi, Hyderabad, Sukkur, Larkana, Mirpurkhas, and Shaheed Benazirabad, ensuring inclusivity, accessibility, and representation from both government and private institutions, particularly encouraging participation from underserved communities.

As anticipation builds, we invite schools, colleges, and educators across Sindh to become part of this landmark initiative. Let your students think, strategize, and make their moves toward excellence.

First Edition. Six Regions. One Board. Infinite Possibilities.

Let the game begin!
